The Yardstick grows Longer...

Globe-Tech Engineering Expo, India's largest SME gathering and manufacturing was held at Auto Cluster Exhibition Center, Pune during May 24 - 26, 2019. The 6th Edition of Globe-Tech Engineering Expo Pune, organized by Globe-Tech Media Solutions was a grand success and witnessed incredible response from both the exhibitors and visitors. It was over 10500 + Business visitors from across the country. Engineering Expo is the leading multi-location trade show on Manufacturing and the only standalone show, which offers a platform to showcase wide range of products and technologies in the field of engineering and manufacturing to the audience at large.

Being an all-inclusive engineering show, the expo provided an opportunity to exhibitors from various sectors to create awareness about their products and services. More than 1000+ products catering to different industries were on display during the three days expo. The exhibitors received an overwhelming response and generated more than 6500+ leads, which are likely to generate revenue. This year the trade show has managed to generate business transactions worth Rs. 49.02 corer. Today the Expo has become a preferred destination for all the manufacturing and engineering companies to transact, network, tie-up, and exchange ideas for the growth of the industry. Delegates from more than 150 companies made their presence felt at the expo. To name a few Atlas Copco; Bajaj Auto Ltd; Bharat Forge Ltd; Forbes Marshal; Force Motors Ltd; Greaves Cotton Ltd; L & T; Mahindra & Mahindra; Premier Ltd and many more....

Seminars.....

Engineering Expo 2019 also witnessed 4 mega seminar on different topics like "Skill Technology & Manufacturing Industries" by Mr. Irfan Haneef, Regional Manager (Country Head – Seabery), another topic was "3D Scanning and Its Application" by Mr. Singaraj Maharajan, Vice President – Precise 3D and third topic was on "Prevailing Lifting and Rigging Scenario in India – A bitter Truth, Defeating the Gravity – An Art" by Mr. Satnam Singh Ghotra (International certified from LEEA, OPITO & Crossby), while the fourth session was on "Business is not Busyness" by Vinil Management.
