HIGHLIGHTS

- 120 Exhibitors pan India
- Spread over more than 3000 sq. mtr
- 12000+ business visitors visited across India
- Business Transacted worth Rs. 48.02 Crore*
- 5860 business lead generated*
- 11000+ products displayed from different industries
- More than 95000 kg machinery moved in for display.
- Feedback received from exhibitors

Inauguration

Traditional lamp lighting ceremony marked the start of the 3 day trade exposition. The 5th Edition of Globe-Tech Engineering Expo Pune, organized by Globe-Tech Media Solutions, was successfully inaugurated on 14th September, 2018 at Auto Cluster Exhibition Center. The traditional lamp was lit by eminent dignitaries, Which included, Mr. Samir Kanadkhedkar – President – Aurangabad Industrial Suppliers Association (AISA), Aurangabad; Mr. Sandeep Gaiwad – Director – Sunlube India Pvt Ltd; Mr. Milind Umdikar – Secretary – AISA; Mr. Satish Lonikar – Project Chairman – Aurangabad AISA Engineering Expo; Mr. Vijay Jaiswal – Past President – AISA; Mr. Jairaj Patil – Co-Project Chairman – AISA Engineering Expo – Aurangabad; Mr. Rajesh Rathore – Dean Faculty – Management Dept. Rajasthan University; Mr. Satish Mandole – Director – Globetech Media Solutions. The lamp lighting ceremony was followed by the unveiling of the Engineering Expo Pune exhibitor directory.

The Yardstick grows Longer...

Globe-Tech Engineering Expo , India's largest SME gathering and manufacturing was held at Auto Cluster Exhibition Center, Pune during September 14-16, 2018. The 5th Edition of Globe-Tech Engineering Expo Pune, organized by Globe-Tech Media Solutions was a grand success and witnessed incredible response from both the exhibitors and visitors. It was over 12000 + Business visitors from across the country. Engineering Expo is the leading multi-location trade show on Manufacturing and the only standalone show, which offers a platform to showcase wide range of products and technologies in the field of engineering and manufacturing to the audience at large.

Being an all-inclusive engineering show, the expo provided and opportunity to exhibitors from various sectors to create awareness about their products and services. More than 11000+ products catering to different industries were on display during the four three expo. The exhibitors received an overwhelming response and generated more than 5500+ leads, which are likely to generate revenue. This year the trade show has managed to generate business transactions worth Rs. 48.02 crore. Today the Expo has become a preferred destination for all the manufacturing and engineering companies to transact, network, tie-up, and exchange ideas for the growth of the industry. Delegates from more than 150 companies made their presence felt at the expo. To name a few Atlas Copco; Bajaj Auto Ltd; Bharat Forge Ltd; Forbes Marshal; Force Motors Ltd; Greaves Cotton Ltd; L & T; Mahindra & Mahindra; Premier Ltd and many more....

EXHIBITORS CATEGORIES

- Auto Components & Accessories
- Automation & Robotics
- Castings & Forgings
- Chemical Process Machinery
- Electrical & Electronics
- Hydraulics & Pneumatics
- Instrumentation
- IT Products & Services
- Light & Medium Industries
- Logistics & SCM
- Machine Tools & Accessories
- Manufacturing Aids
- Material Handling
- Metal & Steel
- Packaging Machinery & Equipment
- Plastics Machinery & Equipment
- Process Plant Machinery & Equipment
- Pumps & Valves
- Safety & Security
- Testing & Measuring Instruments
- Wires & Cables

FEEDBACK FROM EXHIBITORS

- 61 % exhibitors are satisfied with the visitors*
- 65 % exhibitors intend to participate next year*
- 67% exhibitors recommend Engineering Expo to others*
- 66 % exhibitors found Engineering Expo better than other industry exhibition*

EXHIBITOR'S QUOTES

Mr. Sandeep Gaikwad
Director – Sunlube India Pvt Ltd

We are happy with the response we got & Business value in the Engineering Expo 2018 – Pune. We look forward to continuing our business relationship. Thanks for your efforts and excellent services.

Mr. Pramod Dwivedi
Director – Poona Pneumatic Pvt Ltd.

We have received a very good response from the show for all the three days. We have done a very good business. We want Engineering Expo to organize more such shows in different cities so that it helps us in developing our business.

VISITOR'S QUOTES

Sherman Britto
Business Development Executive - Vinsys IT Services India Pvt Ltd

It was a great experience for us. The new technologies on display served as an eye-opener. We look forward to leverage our experience at Engineering Expo to better our products and solutions. With maximum participation of MNCs at Engineering Expo Pune show it has helped us getting many leads for our business. We plan to be an exhibitor in the next edition at Engineering Expo Pune.

Santosh Shirote
Sales Engineer – ThyssenKrupp

Engineering Expo has always been a platform to study new technologies and updates in the industry. The information we gained about the various developments in the sectors has been great. The organizers have done a great job by making registration with automated counters. It is commendable as it avoids unnecessary chaos.

PAMINI PRABHAT KUMAR
Lead Engineer at Emerson Innovation Center

Seminar and demo display was excellent

Vijay Chaudhari
Associate Manager - FAE at TE Connectivity India Pvt. Ltd.

I had a very good experience. I met machine, the robot manufacturers, System Integrators and future Solar Car concept by Young engineers.

Globe-Tech Engineering Expo to be held in Pune

As Technologies are improving fast so in order to compete in the national & international market Globe-tech Engineering Expo has taken one step ahead by Presenting the Globe-tech Engineering Expo 2018 - Pune which is being organized at Pune from 14-16 September 2018 at Auto Cluster Exhibition Center, Chinchwad, Pune. Globe-tech Engineering Expo focuses basically on Engineering Machinery, Machine Tools, Automation & Robotics, Instrumentation & Controls, Hand Tools, CNC Machines and SPMs, Material Handling, Hydraulics & Pneumatics and many more.

Innovation and Technological Advancements which leads them to new height in business and to compete in the international market, its strongly believe by successful Businessman and Industrialist. Globe-tech Engineering Expo is the perfect platform to visualize quality through Competitiveness and ensure to achieve the slogan "Make in India" and also best platform for the Micro Small Medium Enterprise units across the country to evaluate about the technologies & new innovation

which is occurring throughout the world under one roof. Globe-tech Engineering Expo is the India's largest SME gathering on Engineering & Manufacturing products & services. Globe-tech Engineering Expo aims to promote the Indian Industry on International standard by bringing the manufacturing and end users on this special forum. GEE will make everyone satisfied with respect of business.

Globe-tech Engineering Expo is the only show that can help you reach out to a pan-India

audience. The show also helps you to promote your products & services in a specific region depending on your business requirements. It provides a vibrant platform to participants to exhibit their products/services and explore possibilities and business tie-ups and showcase unique range of products with the most latest technology in the fields of design, engineering, equipments, supplies and support services. It helps to launch new products & services in the market.

Globe-Tech Engineering Expo is ably supported by Pimpri Chinchwad Small Industries Association, Aurangabad Industrial Suppliers Association. www.gtee.org
